No. 02 Elections/GSNMS/2016 Dated: 28<sup>th</sup> September, 2016

Hon'ble High Court of Uttarakhand in Writ Petition (M/S) No. 7064 of 2001, Hardev Singh and Others Vs. Union of India and Others has directed that elections of the Prabandhak Committee of Gurudwara Sri Nanakmatta Sahib be conducted within six months. Hon'ble Court has appointed undersigned as election officer in this election. The Hon'ble court has directed that the Election Officer will take steps with regard to the delimitation/re-arrangement of wards/halkas.

It has also been directed that for the elections the registered Memorandum of Association dated 16-11-1987 will act as base guidelines.

In order to re-arrange or to re-determine wards/halkas to different meetings were held with various interested parties. One meeting was held at Nainital on 24-09-2016 and another meeting was held at the Meeting Hall of the office of the Prabandhak Committee at Gurudwara Sri Nanakmatta Sahib on 25-09-2016. The information of meeting held on 25-09-2016 was displayed on the Notice Board of the office of Prabandhak Committee of Gurudwara Sri Nanakmatta Sahib and announcement was also made at the Gurudwara. Publicity about the meeting was also informed through social media. Accordingly, sufficient number of persons attended the meeting.

In both the meetings the issue of re-determination of wards/halkas was discussed at length and the general consensus of the people was that there should not be any deletion of any ward or halka from

the list of 26 wards/halkas already provided in the memorandum of association dated 16-11-1987.

However, it was discussed and pointed out that certain areas such as Kashipur, Ramnagar, Afzalgarh District Bijnor, Lalkuan and Pantnagar are not mentioned in the list of 26 wards/halkas as given in the memorandum of association dated 16-11-1987 and they may be included.

It was also suggested that clarification should be given with regard to the halka which are already mentioned in the list as there has been change of circumstances since 1987 and with clarification of these halkas the election would be easy.

One delegation of Rai Sikh community also met the undersigned and requested that there should be two wards of Nanakmatta Sahib instead of one. They requested that one ward should be reserved for Rai Sikh community and the other ward should be unreserved. They submitted that two wards are required at Nanakmatta Sahib because of high of density of Sikh population in this area and for proper representation of Rai Sikh community in the Prabandhak Committee of the Gurudwara Sri Nanakmatta Sahib.

In the State of Uttarakhand, the total Sikh population as per 2011 census is 2.34%. If we peruse the District wise population of Sikh religion as per 2011 census the highest population is in District Udham Singh Nagar at 9.87% followed by Dehradun with 2.15% and thereafter District Nainital with 1.82%. In District Udham Singh Nagar the highest Sikh population is in the Tehsil Bajpur with 6.85% followed by Sitarganj 4.87% thereafter Kichha 4.52 %, Rudrapur 3.17%, Kashipur 1.87% and so on and so forth.

Nanakmatta the situated in Tehsil Sitarganj and as per the memorandum of association of 1987 there are two seats of Sitarganj and one seat of Nanakmatta. Effectively, there are three wards in one Tehsil of Sitarganj. Both the seats of Sitarganj are unreserved.

Going by the data of Sikh population, as per the census of 2011, I am of the view that sufficient representation is already available to Tehsil Sitarganj and further creation of wards/halkas in Tehsil Sitarganj might create further problems and the election process could be hampered. The elected committee will have the liberty to again look at the aspect of delimitation of wards/halkas and the Elected Committee may consider creation of new wards within one Tehsil or breaking one ward into two or more wards.

I am of the view that since as per the direction of the Hon'ble Court the election is to be completed within the period of six months, therefore, the wards as mentioned in the memorandum of association of 1987 may be maintained and some other wards may be added. At the same time, the wards already available in the 1987 memorandum of association may be explained and clarified so that there is no doubt about the territorial extent of the ward/halka.

Accordingly, following wards are being declared for the purpose of election of Prabandhak Committee of Gurudwara Sri Nanakmatta Sahib.

1. Tehsil Jaspur and Afzalgarh in District Bijnor.
2. Tehsil Bajpur including Banna Khera and Shiv Puri.
